Autumn Lecture Series

The Apocalypse in Rock

Rev. John R. Mabry, PhD

In this lecture, Dr. Mabry presents the evangelical myth of the “end times,” followed by two 20-minute “rock operas” based on the myth: one by Christian band Daniel Amos (Side 2 of *Shotgun Angel*) and one by a secular group, Genesis (*Supper’s Ready*). A discussion will follow the music comparing and contrasting each group’s treatment of the myth. *Librettos will be provided.*
