

The Grace Institute for Religious Learning

Summer Lecture Series

The Re-Mythologization of the Eucharist

Rev. John R. Mabry, Ph.D.

The way Christians have celebrated the eucharist has changed in every age. In this lecture, Dr. Mabry documents these changes and shows how many of them happened in response to crises faced by the church throughout its troubled history. A surprising look at a very old tradition with a chameleon-like past.

August 11 • 7:30 pm
